TARIFF PRICE INCREASES

Although all of Circuitron's products are assembled and packaged in Romeoville, IL, many of the components we use are imported by our suppliers and Trump's high tariff rates have affected those costs. As a result, we are being forced to pass along these increases to our customers. We are truly sorry! You don't deserve this. But if and when the tariffs are removed, we will adjust our prices accordingly.

TO ORDER DIRECT FROM CIRCUITRON

Enclose a check or money order for the total amount of the order. Payment for foreign orders must be clearly marked US DOLLARS. Include **\$10.00** for Shipping and Handling on domestic orders. CANADIAN and Overseas orders –email to request shipping price. Illinois residents must include 7.5% State Sales Tax.
